

Welcome to the Greater Yellowstone Area

Few other landscapes offer such a rich diversity of climbing, in beautiful surroundings, as do the Jackson and Pinedale areas. Jackson, at the base of the Teton Range, and Pinedale, at the base of the Wind River Range, are amongst America's greatest mountain playgrounds – worthy of any climber's tick list. This is your guide to over 400 climbs ranging from 10-foot boulder problems to thrilling 600-foot free climbs. A full spectrum of climbing opportunities is covered, including bouldering, top roping, sport, traditional, and ice routes – the area's essential day-climbing guide.

A Comprehensive Climber's Guide

Photographic topos accurately depict routes, aerial photos eliminate confusion, precise road maps, satellite imagery, gear recommendations, approach details, and meticulous route descriptions will guide you to and up the cliffs. This full-color book is laid out in a user-friendly manner and provides the reader with an unsurpassed day-climbing guide to the Jackson and Pinedale, Wyoming region.
